CHRISTMAS 2018  
NEW YEAR 2019

## YOU MAY FIND OUT...

Another year was coming to an end and like every year we would like to thank our customers and companions for their good cooperation and trust in our company.

And like every year - since 1995 already - you can of course win with us and with our ultimate Christmas letter:

Do you remember the year that featured the motif in one of our now then 24 Christmas letters?

If you know the year, simply send an e-mail (until 31.01.2019) with the solution word resp. digits to:

**xmas@module-gmbh.de**

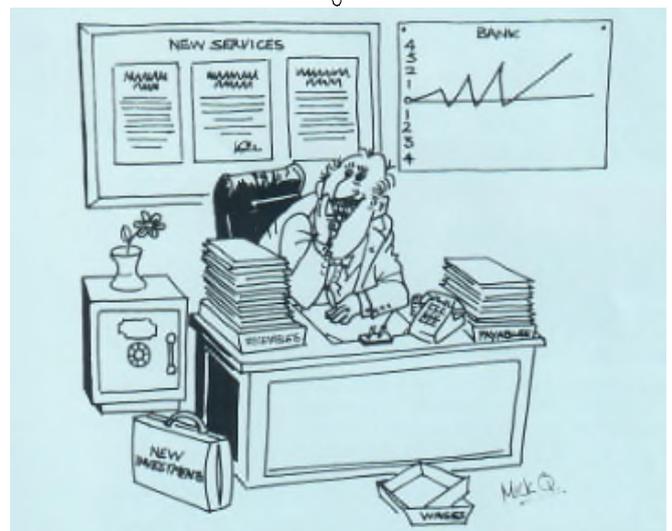

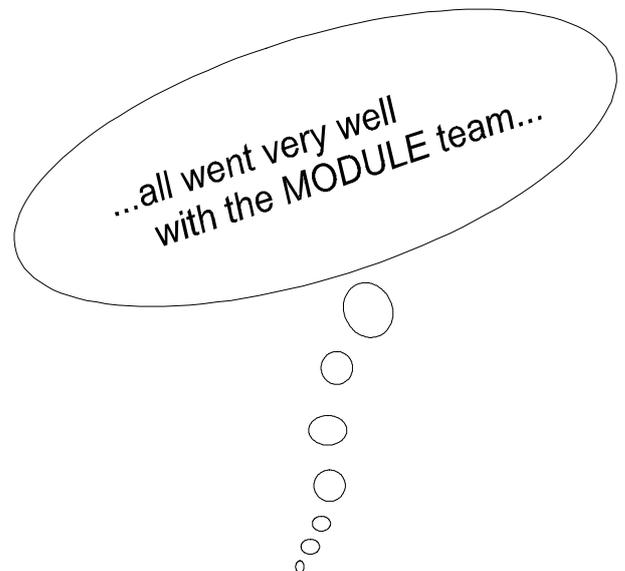

Alternatively, just tell us the year of the second millennium ☺.

It's worth it again, because this year we are giving away valuable presents from BEEsharing! ([www.beesharing.eu](http://www.beesharing.eu))

We wish you good luck, a happy, healthy and at the same time atmospheric season and all the best for a successful New Year,

Your Andreas Kreuzburg and the team of the Module.

## ... AND WIN !

P.S.: The last time from this source our donations go to "Deutscher Kinderschutzbund e.V." (Children Healthcare Organisation) and "Médecins sans Frontières"
